- **Balance in checking account, as of February 28 2009 \$1994.04**
- **New members this month – 11**

Aaron announced that we have some budget moves that will be presented for approval in our general board meeting on the 26 of March. We are looking at moving \$100 from reading to science. \$732.71 from field trips to Soaring eagle and \$125 from Dare to Soaring Eagle.

Teacher report given by Bobbie Evans

Teachers wanted to say Thanks for the support at SEP's. They enjoyed the dinner and liked that it was something different. We have a great hospitality team.

President report given by Aaron Larson

We will receive the Development award at the PTA convention in Mat. Aaron wanted to acknowledge the support given by our administration. He has heard other schools that don't have the support and resources ie. Voice mail that our PTA has.

We are choosing to cancel the April meeting due to the Spring Break Recess and our May Board meeting will be postponed to the 28th of May. The move of May's meeting is to accommodate the Statewide PTA Convention being held May 14th and 15th.

We are also planning to hold the May meeting during the day...morning hours. This board meeting will be focused around our annual Succession Training and I am asking Michelle to conduct as many of her new recruits for the 2009-10 Board will be present. Then our last PTA meeting for this school year will conclude on June 11th

PTA Movie night coming between April 27 and May 15

We need volunteers on 4/22 for Administration day to help cover our office staff so they can be treated to lunch.

President Elect report given by Michelle Moulton

Michelle reminded everyone that our PTA leadership convention is coming up and we need to let her know if we are attending and what classes we want to sign up for.

We still have board positions but they are filling up fast. If anyone knows of someone that would be good in a position let Michelle know.

KUDOS!! Michelle gave kudos to Mr. Emerson. He was great help with the SEP's.

Michelle has had a great learning year. "The year has run properly and has been a great learning experience."

New business and discussions round table style

Leo McCormick-

The next book fair is on the 26 and 27 of March. April 3 will be breakfast with books and kindergarten orientation. There will also be another breakfast with books on April 24. We have been approved to have a science assembly on May 7 at 1:30 and 2:30.

We had great sales at the book fair. All teachers participated except 2 in the free books. So far the PTA has given the teachers \$2300 in free book credit.

Jamie Logue-

Spring fling is coming. She suggested we have a "hoe down" theme because her husband would think that was great! (sarcasm)

Jennifer Higley-

The Birthday celebrations are still going good. She noticed that less kids are coming to celebrate there birthday but we still have a decent turn out.

Holly Winn-

We received over 4000 points from Campbell soups with lots of milk caps and over three big bags of box tops. Assistance would be helpful in cutting out the box tops.

Jerusha Buckner-

We had a Steve James assembly on Monday and Mr. Emerson did great and taking on the responsibilities at the last minute.

Meeting adjourned at 6:30
