Welcome and Call to Order was given by Aaron. Aaron commented this being the last PTA meeting for the 2008/2009 PTA year.

Pledge of Allegiance was offered by Aaron Larson

Executive Business: Aaron Larson

Aaron stood in for the secretary to read in and motion for the meeting minute approvals from the following meetings:

March Election Meeting	March 26, 2009
May Succession Training/Board Meeting	May 28, 2009

Aaron motioned for the meeting minutes to be accepted as written and read. Pat Buske gave a 2nd to the motion. Meeting minutes approved.

Aaron discussed the continued importance of the PTA procedure books and final transitions that still need to take place. Aaron and Michelle will help the outstanding leadership transitions take place.

Aaron talked about everyone being leaders in the PTA...and how important it is to transition leadership to keep the PTA strong.

Any outstanding check requests need to be turned in ASAP!!

Everyone should check the PTA mailboxes...clean them up. We need everyone to help clean up the PTA closet. Field Day stuff is in there right now....but everyone needs to go in and do their own housekeeping.

Post Convention Training is tomorrow....Aaron is the only one going in our PTA as everyone else is helping with FIELD DAY!

Aaron reminded everyone to log VOLUNTEER HOURS....either online or in the books at the office.

Aaron suggested that we total and communicate this years volunteer hours and present to the PTA community at Back to School Night.

Financial Business:

The treasurer was not in attendance and there was no financial report to review

Administration Report: Rebecca Bibo

Rebecca reported that she has never seen a PTA do as much as Oakcrest's PTA....from Teacher Appreciation to Field Days....the support is phenomenal.

Teacher Report: Pat Buske

Pat wanted to echo the same as Rebecca....this last year has just blown the teachers away....the support is the best. Having the cold drinks at SEP times was great. This years PTA has just brought so much more involvement with teachers...it's amazing. Pat has asked the PTA help with social committee events....the teachers loved how the PTA brought the faculty together....the bowling was such a blast.

Field Day/Soaring Eagle Report: Michelle Moulton/Aaron Larson

Everything is falling into place...we have enough volunteers for both days. Sara has everything lined up. Field day is going all day long. It's supposed to rain....but we're going ahead. Michelle shared the schedule for the days. 8:45AM will begin with Kindergarten....then all other classes 9:15. All the volunteers will have a copy of the schedules...each station is marked with flags....each station has 3 game....you stay at each station for 30 mins.

Soaring Eagle.....406 recipients...WOW!! We initially planned for about 250!! Kudos to Sara for all her hard work....this will be one of the most prestigious ceremonies Oakcrest has ever put on....it will be "graduation commencement" style.

Commissioner Reports:

Jerusha Buckner....gave a quick update on the Safety Committee meeting. The group discussed issues that have been on the docket. They discussed the 20 MPH zones and suggested speed bumps to slow people down. There is a process of getting signatures to petition for solutions to get the ball rolling. The group also discussed the "alley-way" that cuts through the condos and ends at the busy street at 6700 West. Kids are just crossing the street. The only crosswalks are on HillTop Oak....and then 8200 South.

Michelle Moulton....wanted to bring awareness to the new PTA recruits for everyone to help them learn the ropes. We also met with the Carnival people and are putting the plans together for the fall carnival. We are needing volunteers and just need enthusiasm and punch behind it....since this is our big fundraiser.....it needs to be big.

Meeting adjourned at 10:24 AM
